# Stampin' Up! exclusive dies

We've created 10 exclusive dies for the Big Shot die-cut machine that coordinate with our products—you'll love the possibilities and the ways you can use the dies together. For example, you can cut out the individual words in Join in the Cheer and use them on the Scallop Envelope or Top Note. Mix and match to see what you can create. And the Stampin' Up!-designed dies shown on these two pages aren't available anywhere else!

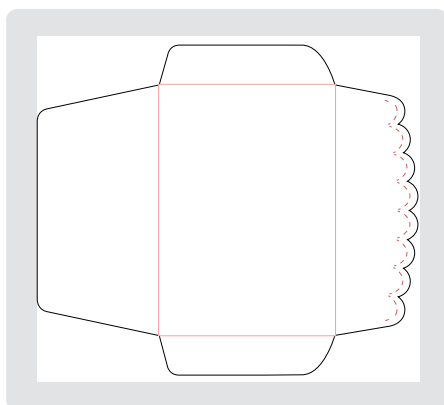

The Tulipe, Pennant, and Baskets & Blooms dies are part of the new Shelli's Signature Collection, products that reflect the personal style of Stampin' Up! cofounder Shelli Gardner. Shelli's product picks are marked with a heart symbol.
